

FAGSPOSE

Statement

1. It is my express wish that explicit, degrading and compromising nude and pornographic photographs and videos be taken of me and that they be published on www.fagspose.com and distributed throughout the internet by all possible means.
2. It is my express wish that the ticked data from the Fagspose questionnaire, which I have completed and signed at the same time as this declaration, be publicly distributed.
3. I am aware that acquaintances and strangers may unexpectedly confront me and my loved ones with the images and information published about me. I consciously choose to do so. I find it exciting and (sexually) arousing that this could happen.
4. To the extent that my consent and participation in Fagspose violates any laws (such as privacy and moral laws), I release Fagspose from any liability, as it is my express wish to be exposed by Fagspose.
5. I am aware that this consent can only be withdrawn after paying a fine to Fagspose. I am aware that my pictures will continue to circulate on the internet and that they may appear years later despite being removed by Fagspose.

After paying the fine, all your data will be removed from the website www.fagspose.com and directly affiliated sites and social media.

The fine amounts to €200 and is increased by 3% per calendar year.
